

Your child has been playing and learning in primary 1 with their peers and with their buddies.

Creative talking and attentive listening.

Problem solving

Co-ordination skills.

Number work

Enjoying stories

Team work

Working with a partner.

Listening to Mrs Millar.

Exploring writing materials.

We enjoy exploring and working with software to help us learn the sounds.

Construction

We explore materials for writing.

We can create our own patterns using pegs and beads.

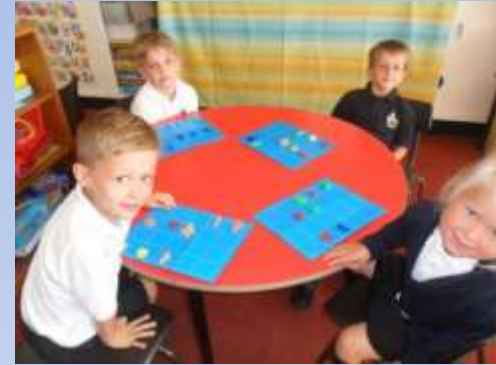

We explore sounds , letters and words, discovering how they work together.

We enjoy exploring materials for writing.

We explore sounds , letters and words, discovering how they work together.

Playing and working with our buddies.

We enjoy exploring and choosing stories to read or listen to.

Once a week
we join our
buddies
for our walk,
jog or run.
